

**AMENDMENTS TO THE DRAWINGS**

The attached sheet(s) of drawings include changes to FIGS. 1-3 and 5.

Attachment:        Replacement sheets  
                         Annotated sheets showing changes

**REMARKS**

In the outstanding Ex Parte Quayle Action, the application has been indicated as in condition for allowance except for the following formal matters: (1) the abstract of the disclosure has been objected to because it is not a single paragraph, uses “means” phraseology and repeats information given in the title; and (2) the drawings were objected to because Figs 1-3 and Fig. 5 do not have labeled boxes.

***Drawing Amendments***

In response to the objection to the drawings, both “Annotated Sheets” and “Replacement Sheets” have been attached hereto. It is respectfully submitted that the amendment makes outstanding drawing objection mute and that the drawing objection be withdrawn.

***Specification Amendments***

The specification has been amended to correct a typographical error and provide parenthetical abbreviations for the requested labels included in the “Replacement Sheets” for the amended drawings.

***Conclusions***

In view of the above amendment, it is respectfully submitted that the pending application is in condition for allowance.
